Need a reason to participate?

Oral Health is linked to your overall health and wellness. Poor oral health can have a detrimental effect on a student's quality of life, performance at school, and success later in life.

Sign up today!

A Registration and Consent Form must be filled out by a student's parent or guardian for them to receive services.

Use this QR code to sign up online, or get a paper form from a school secretary.

Hold your phone camera to the QR code above to access our online Registration and Consent Form.
