

Teacher Competition

WIN A \$50 GIFT CARD!

All Smiles will be awarding prizes to the top two teachers in partnered elementary schools this 2025-26 school year. The teacher who collects the most permission forms at their school will receive a \$50 gift card, and the teacher with the second-highest return rate will receive a \$25 gift card!

Permission forms that have declined dental services will be included in the count.

Gift cards will be distributed at the end of All Smiles's visit. Please check with your school's main office to find out when All Smiles will be at your school.

Note about the Teacher Competition:

1. **Calculation:** Winner will be based on % returned, that way smaller classes have a chance to compete.
2. **Ties:** If there are two teachers with the same highest number of forms collected, then the prize will be split between the two. Each teacher will receive a \$25 gift card.
**This applies to both 1st & 2nd place winners
3. **PreK:** Pre-kindergartener teachers will be excluded from the teacher competition.
4. **Final Day of Competition:** Permission forms will be counted towards the teacher competition until Admin Day. Admin Day is typically the Wednesday before the week of services. Any new permission forms turned in after the Admin Day will not count towards the competition, however, the dental team will still see those students.
