

We can help you comply with HB 2969. For FREE!

Oregon House Bill 2969 requires school districts to provide oral health education, effective July 1, 2025. Bill 2969 doesn't include funding, but we've got you covered.

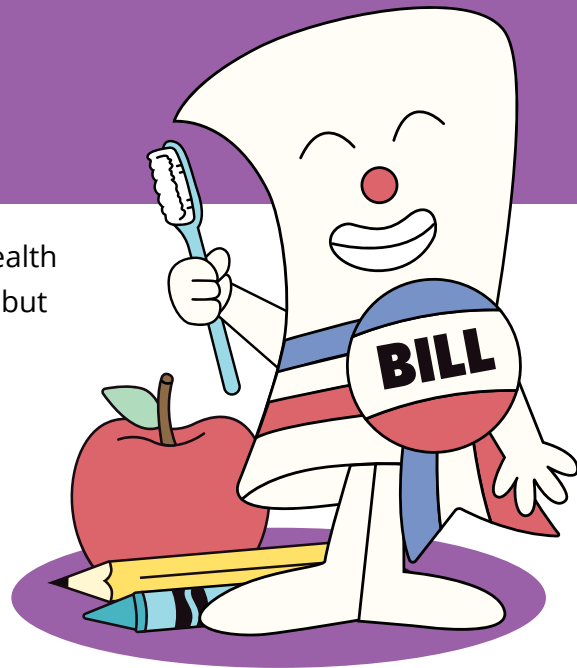

We provide FREE in-school oral health presentations that cover:

Grades K-5

- Proper brushing and flossing techniques
- How cavities occur
- What to expect during services

Grades 6-8

- Info about cavities
- How plaque can lead to gingivitis and periodontitis
- How tobacco use impacts overall health
- What to expect during services

Contact us today to schedule presentations!
