

Need help complying with HB 2969?

FREE, in-school oral health presentations can help you comply with Oregon House Bill 2969, which requires school districts to provide oral health education, effective July 1, 2025.

Our 15-20 minute presentations cover:

Grades K-5

- Info on proper brushing and flossing techniques
- How cavities occur
- What to expect during services

Grades 6-8

- Info about cavities
- How plaque can lead to gingivitis and periodontitis
- How tobacco use impacts overall health
- What to expect during services
